Checkerboard

Pistachio - KDC5306/05

30 x 60cm / 11.75" x 23.5"

Kirkby's take on the ubiquitous checkerboard trend, alternating rectangles are broken by fine stripes adding detail to a geometric classic. The painterly, analogue effect of watercolour is achieved through digital print, picking up beautiful details of the original, hand-painted artwork. Small in scale and impactful in colour, this design is printed on 100% recycled cotton.

BURST is a homage to modern art, reminiscent at times of an artist's studio full of painterly dashes and brushstrokes and analogue organic forms. Intricate tapestry-style weaves and a velvet with a sprinkling of daisies are a nod to 1960s bohemia and come in colourways that are a modern take on vintage decorative style.
