TEXTURED WALLCOVERINGS

Volume 1

Emulating the beautiful detail and texture of natural fibres, this collection of vinyl wallcoverings exemplifies understated elegance. Detailed embosses give each design an enticing tactility and depth of character, mimicking the straw-like lines of raffia and grasscloth, the natural slub of silk and the distinctive texture of linen. Offering the beauty of a natural wallcovering but with the assurance of practicality, each design is considerably coloured in an elegant palette.
